

**Energy Advisory Committee**  
**Forum on Low Carbon Energy and Climate Change**

The Energy Advisory Committee, the Government's advisory body on energy policy in Hong Kong, organizes this forum to serve as a platform for exchanging views on how energy policies and measures could help combat climate change. The forum will also look into the opportunities and challenges for Hong Kong posed by the national energy development plan of the Mainland China.

- Date** : 23 December 2010 (Thursday)  
**Time** : 2:30 – 5:40 p.m.
